## **Guidelines for the Application**

The Early Career Research Mentoring Grant Application should include the following materials:

- Completed and signed form
- Research proposal (maximum 1500 words); the proposal should clearly outline the objectives, the methodology, and duration of research and its intended outcomes; it should also articulate how this research project builds on the applicant's PhD and/or previous research
- A recommendation letter from the senior researcher that the applicant wants to work with (including information where the research is to be conducted confirming that access to the necessary facilities will be provided)
- Proposed budget (including likelihood/availability of alternative sources of financial support)
- 1-page Curriculum vitae with separate publication list

**Send one signed and dated original application as ONE pdf file including the form, research proposal, one recommendation letter, CV with publication list and proposed budget and via email to: [Janine.bosak@dcu.ie](mailto:Janine.bosak@dcu.ie)**

**Applications must be received by 31<sup>st</sup> of January 2021.** Late or incomplete applications cannot be considered.
